

Q3 Performance Review

Prepared for the quarterly all-hands - October 2026

Highlights

- Revenue grew 18% quarter-over-quarter, ahead of forecast.
- Customer churn fell to 2.1%, the lowest in company history.
- The new onboarding flow cut time-to-first-value by 40%.
- Engineering shipped 3 major releases with zero rollbacks.

Revenue by month (\$M)

Next quarter

- Launch the collaborative editor beta to 500 design partners.
- Expand the sales team in EMEA and open the Berlin office.
- Target: cross \$6M monthly revenue by December.
